A Message from your PTA President

Greetings from your JVE PTA.

Now that we have started the second semester of the school year, it's time for us to start looking forward to our upcoming events for the winter and spring. We are holding our Family Bingo Night on Friday, February 17th at 7 p.m. with a very short PTA General Membership Meeting immediately preceding Bingo. In addition, we will be sponsoring Spirit Week at JVE during the week of February 27th. Please see inside the newsletter for the schedule of daily themes.

Your support through membership and fundraisers helps your JVE PTA provide many academic and social enrichment programs for your children. Thank you to those parents and teachers who have supported our fundraisers and joined the JVE PTA throughout the school year. The membership drive is coming to an end. The deadline for joining the JVE PTA for the 2011-2012 school year is March 23rd.

STEM Fair project boards for students will be on sale in the school store throughout the month of February. The boards are \$3.25 each and can be purchased from the school store on Wednesdays and Thursday mornings at the start of the school day. This price is significantly lower than local stores because we charge the at-cost price (like all of our items for sale in the store). We also will have project boards for purchase at the STEM Fair Parent Info night on Thursday, February 23rd.

In addition, our JVE PTA is starting the nominations process for the new slate of officers to serve during the 2012-2013 school year. A nominating form is included inside this newsletter. If you are interesting in serving next year or know a parent who would make a valuable contribution to our PTA, please fill out the form and send it into school. In addition, we will need new chairpersons on a variety of committees in the next school year. Please contact me at president@jvepta.org if you would like to get more involved in our activities. We are looking for parents with varying degrees of availability, including parents who work outside the home.

Sincerely,
Patty Smith

JVE PTA Needs Your Help!

The nominating committee needs nominees for the 2012-2013 school year. Please consider nominating yourself or another individual that you think would be a good candidate for one of the following positions. Nominating an individual does not obligate them to serve. Potential candidates will be contacted regarding duties of that position for which they are nominated and their interest in having their name considered for election. Should the candidate find the position to be too demanding, they are under no obligation to accept. Thank you for your continued interest in making Joppa View a wonderful place for our children to grow.

Please consider one (or more!) of these positions and respond to nominating@jvepta.org.
